Testimonials

"We have made staying at Cabin in the Glen in early December a family tradition over the past several years.

It has become a welcome retreat from the hustle and bustle of the holidays that our young children enjoy as much as we do.

We all look forward to a family weekend playing games, roasting marshmallows, hiking in the wintery woods, and just being together without interruption."

— S.J. Columbus, Ohio

"WE LOVE CAMP AKITA!! Its a great way to get away from our busy lives, relax, and spend time with our family.

Our favorite cabin at Akita hands-down is Sky Valley. We enjoy everything from the wood-burning fireplace, to the large open and unique floor plan, and most importantly the back deck overlooking the woods.

Every time we roll up over the hills and breathe in the fresh camp Akita air, we remember the years spent at this wonderful place as campers, staff, and family."

— E.G. Columbus, Ohio
